RECEIVED

SEP 27 2005

CITY ATTORNEY'S OFFICE

Your Excellency,

It is my pleasure to invite you to participate in roundtable discussions with twenty or so city mayors from around the world, as part of the **Second Annual Taipei International Healthy Cities Conference and Exhibition 2005** to be held October 29-31, 2005 at the Taipei International Convention Center.

The conference program focuses on topics such as community safety, cultural sustainability, environmental protection and healthy lifestyle. The Exhibition will include thirty to forty exhibitors from local community groups. However, your presence will be most expected at the **Healthy City Leaders Roundtable** on Sunday, October 30, 2005. This event will mark the pinnacle of our conference, at which the following three topics will be discussed: community safety issues, the new role of health policy-makers, and global healthy cities network.

Should you choose to attend the conference, the Taipei City Government will cover roundtrip business travel from your nearest international airport to Taipei City and a four-night lodging arrangement. I hope that you will be able to participate and I look forward to sharing our experiences in building healthy communities.

For any queries you may have, please contact Ms. Evelyn Chou or Miko Yang by telephone (+886-2-2562-2568), fax (+886-2-2565-1255), via email (health@come2meet.com).

Sincerely,

Ying-jeou Ma

OBJECTIVE

Second Annual Taipei International Healthy Cities Conference and Exhibition 2005 is a forum where cities may exchange practical knowledge in creating Healthy Cities. The international nature of the conference facilitates the creation of global partnerships between civil organizations and municipal administrators.

PARTICIPANTS

- ▶ International organizations
- ▶ Government, regional and local authorities
- ▶ Non-governmental organizations (NGOs)
- ▶ Private sector enterprises

THEMES

The Second Annual Taipei International Healthy Cities Conference and Exhibition 2005 consists of speeches and discussions, an Exhibition, and a half-day Healthy City Leaders Roundtable. The conference covers ten major themes:

- | | |
|---------------------|--|
| Safe city: | Hazard prevention and safety |
| Understanding city: | Tolerant communities and proactive social services |
| Clean city: | Sanitation and environmental protection |
| Cultural city: | Education, cultural development and preservation |
| Efficient city: | Well-informed society and convenient transportation |
| Spirited city: | Dynamic public health management and disease prevention |
| Sustainable city: | Tenable and forward-looking urban development practices |
| Flourishing city: | Promotion of new industries, revitalization of old districts |
| United city: | Fair distribution of all resources, Health for All |
| Lively city: | Recreation and sports promotion for a healthier life |

With collective efforts from its twenty-three Departments, the Taipei City Government welcomes you to the Taipei Healthy Cities Conference 2005.
